b. The responsibility for assignment of NIIRS ratings should be decentralized after full dissemination of the NIIRS Manual and subsequent instruction in its use;

d. The Sensitive Substantive Intelligence Data Listing should be retained (DIA to furnish addition clarification concerning its application for review and approval); and

e. Mosaics, which cover large geographic areas, should continue to be protected in the T-KH System.

3. In reference to the Chairman, DWG, request for key persons to be assigned to finalize the T-KH Manual, it was noted by DIA and CIA that the key persons were not immediately available to assist.

[redacted] stated that a December 1974 publication date would satisfy DIA.
